Department of Quantitative Finance, National Tsing Hua University
Faculty Recruiting

The Department of Quantitative Finance invites applications for a number of full-time positions at the level of assistant professor or above. Candidates majoring in all fields of finance and accounting are welcomed to apply.

The usual teaching load is six hours per week at all levels. The openings are NOT limited to Taiwanese citizens; Mandarin-speaking or English-speaking applicants from other places are also welcome. Applicants should send curriculum vita, at least two letters of recommendation, writing samples, official transcripts, and evidence of outstanding achievement or promise as a scholar and teacher. For full considerations, completed applications should be received by December 31, 2013.
